

# Model DL-4400

## SLASHER SAW

The CSI Model DL-4400 Slasher features a unique style saw box that allows the loader operator a better view and more room for grapple swing-thru. These features promote faster cycle times allowing more loads per day. The DL-4400 is built from hi-alloy tubing and hi-alloy steel plate coupled with precision hi-strength welds by skilled workers to ensure a product that will give many years of quality service.

Made in U.S.A.
